- **Welcome**

Dr. Pimentel began the meeting at 9:01 a.m.

- **Case Report Updates:**

- **Point of Contact updates**

- **Point of Contact updates:**

- Employee:

- Number of COVID positive employees: One (1)

- Number of employees in quarantine for direct exposure: One (1)

- Number of ill employees awaiting test results: None

- Student:

- The Dean of Students had two student reports this week. One student had a “yes” response to the screening question. The response to the question was an

error. Another student situation was reported to the Dean of Students. They are working on gathering additional information from this student. There is a recurring issue of students completing the screening form after they have arrived on campus.

- Guest:

There was one “yes” response to the screening question. It was in error, they were actually the student.

- **Fall 2020 Update:**

The team discussed the overall perspective of how fall was progressing from a faculty and staff point of view. The challenges of quarantines and isolation were discussed along with the extra need for communication with online and flex classes but no major themes were presented.

- **Facemasks**

Public Relations and Marketing is working on securing samples from vendors on JSCC facemasks. If anyone wants to view the samples, please reach out to John McCommon.

- **Campus Operating Level**

The Pandemic Response Team discussed adding the campus operating level to the JSCC webpage or COVID-19 page. The Team was supportive of using the different level colors.

- Level 1 Green

- Level 2 Yellow

- Level 3 Orange

- Level 4 Red

- **CARES Act expenses**

If there are additional needs for CARES Act expenses, please submit them for review and consideration.

The meeting ended at 9:30 a.m.
