- **Welcome**
Dr. Pimentel began the meeting at 9:00 a.m.

- **Case Report Updates:**
Point of Contact updates
 - Employee:
Number of COVID positive employees: 0
Number of employees in quarantine for direct exposure: 1
Number waiting on test results: 2 part-time employees
 - Student:
Number of COVID positive students: 6 (2 of the 6 are strictly on-line)
Number of students in quarantine: 1
The student could not answer the COVID screening questions for clearance to campus. He did not want to be tested. He is not scheduled to be back on

campus until next Monday. Dean Nickell will follow-up with the student on Friday.

- Guest:

Number of COVID positive contractor/guests: 1

An online student that is a bookstore employee has tested positive and is in isolation.

The team discussed how to share JSCC numbers and decided that exploring a way to link TBR's report to our COVID page would be best.

- **Facility Requests**

The Team discussed the current operational status under the Phased Reopening Plan. Under level 2 we can rent facility space with a safety and cleaning plan in place. The Team agreed that prior to moving forward with facility agreements, protocol on development of a safety plan and review of the plan needs to be established prior to moving forward with accepting requests.

- **Student Activities**

The Team discussed the current operational status under the Phased Reopening Plan. Under level 2 it is recommend that student organizations have a virtual meeting/activity. The Team discussed a club request to hold an in person activity off campus. The Pandemic Response Team agreed to be consistent. The club should provide a detailed safety plan approved by the club sponsor. The club sponsor must be present at all times during the activity. The Team will review the detailed safety plan when received.

- **Campus Access Level**

The Team discussed adding the campus access level on the Phased Reopening Plan to the JSCC main website. All agreed it should be added.

- **Lifeline Blood Drive**

Lifeline is experiencing a critical blood shortage in our area and across the county. Please encourage all to participate in the Lifeline Blood Challenge Battle of the Colleges that is being held through the end of September.

- **Facemasks**

JSCC facemasks have been ordered and should arrive by October 5.
