Two athletes are completing resocialization programs. Once a student athlete tests positive, they follow TCCAA protocols for isolation. A physician determines the athlete's returns to play. All athletes were Covid-19 tested last week. All test came back negative.

- **Vaccination Site**

We are still awaiting further information from TBR. We hope to have the site selections, timeline, and expectations to share soon.

Schools currently selected as locations are discussing logistical challenges with traffic, operating dates/times, staff, etc. We hope to gather more input from them on overcoming challenges faced.

- **CARES Act – Part 2**

TBR continues to work with the Department of Education on clarification for spending. We hope to have guidance soon. Please e-mail ideas for CARES Act expenses to Dr. Pimentel and the vice presidents for consideration once guidelines are received.

CARES Act expense requests for replenishment of PPE can still be submitted with the current approval process.
