Next Wednesday, we will vote on whether or not we move to level 1.

- **Student Vaccination Update**

Just a reminder, the Jackson Madison County Regional Health Department is on campus providing vaccinations between 11:00-3:00 today.

- **Transparent Masks – Need number of on ground faculty for fall**

Research was done and a vendor was found for transparent masks for faculty to use in the classrooms this fall. The number of sizes to order is being collected. Access and Diversity CARES Act or other CARES Act funds can cover the expense.

- **Pinning Ceremonies in Ayers Auditorium.**

Due to concerns with disinfecting and set-up between pinning ceremonies, the team discussed moving one pinning ceremony to Ayers Auditorium. The concern is with seating capacity and maintaining 3 feet social distancing with the number of guests. Academic Affairs and Physical Plant will meet to discuss options.
