Agenda: OLD BUSINESS

1. Discussion of Staffing Office as the program grows—continue from last meeting (Service Learning Student Worker will be requested again next year)
2. Continuing Business from last agenda:
 - a. Faculty Awards and Recognition—criteria—more discussion needed
 - b. Student Service and Service- Learning Awards
 - Facebook status and plans—look at it on the computer
 - i. Need submission of photos, videos if you have any to post
 - Diversity grant status—submitted February 1, 2011—was not awarded to JSCC; what are the implications?
3. Fall 2011 Needs Related to proposed “Block” of Service Learning Students
 - a. Need to have JWEB student page up for signing up for Service-Learning and completing any forms
 - b. Need an inservice program related to this program, with something similar to a “preview email” to faculty in the Summer so they can think toward the need
4. Committee Charge— did not send after last meeting:

To develop and oversee service learning standards and programs at JSCC in order to increase civic engagement service hours annually while promoting academically meaningful service activities that meet community needs. The committee will identify and promote the professional development of faculty, provide information and support for service learning course development, act as a liaison between community service opportunities, individual students and academic programs at JSCC, and develop and support community partnerships.

5. New business from Members
 - a. Abbey Lackey: “Day of Service” in the Spring
 - b. VGrooms: Need a page for faculty to fill out and submit—maybe a Survey Monkey link? –to report service hours, and vote for faculty and submit names of students for service awards
 - c. VGrooms: What do we need to purchase?
6. Meeting Adjourned
