- **Welcome and Discussion**

Dr. Pimentel started the meeting by welcoming two new members, Dr. Amber Nelms and Kat Swantak. Don Myers will be returning on a temp contract to assist with special projects.

Committee members were provided departmental goals with the meeting invitation and discussed a common chart to have departmental goals in a consistent format. Dr. Nelms volunteered to create a chart with a common style guide and input the departmental information. The chart with information will be shared with the committee for feedback. The target deadline to have all feedback and a complete document is two weeks from this meeting, August 9.
